Favorite Word/Expression "in the form of a pie chart"

Favorite Expression in the form of a pie chart

The expression that I like most from this set is in the form of a pie chart

in the form of a pie chart is a phrase

How do you say it in Russian?

It translates into Russian as

What does it mean?

It means a way to visually represent data showing how different parts contribute to a whole.

A good synonym for in the form of a pie chart. is graphically

The opposite of in the form of a pie chart. is in the form of a bar chart

I find this expression fascinating

because it reminds me of my statistics class where we used to create charts and graphs to analyze data.
